Timers must be positioned over the lane at the end of the racing course. Optionally, a Legal Split may be requested after the event using a Legal Split Form when using a fully automatic timing system. The Admin Official has discretion to either grant or deny the request after reviewing the available evidence. Backstroke Legal Splits must be requested in advance to ensure a legal finish.</p> <p><b>LEGAL SPLITS – Relays:</b> All lead-off splits for relays are automatically loaded into SWIMS and do not require additional watches for validation unless there are no touchpads present, or the second swimmer starts in the water. If there are no touchpads, or the second swimmer starts in the water, a legal split form with three watches will be required for entry into SWIMS. Timers must be positioned over the lane at the end of the racing course. It is recommended that coaches report lead-off time discrepancies to the Administrative Referee or Administrative Official.</p>
